Request for Conference Campership
Outdoor Ministries Program
Northern California Nevada Conference, United Church of Christ

It is the policy of the NCNC UCC Outdoor Ministries Committee that no one wishing to participate in the conference summer camping program should be prevented from doing so due to financial constraints. The Camp Scholarship Fund exists to help those in need have the spirit-filled experience of Christian community offered at our summer camps.

This fund is supported by donations of individuals from all over the Northern California Nevada Conference. Most of our donations are gathered in a special offering taken each year at the NCNC UCC Annual Gathering.

In order to practice responsible stewardship and to assist as many campers as possible:

- We will provide a campership for each camper at one camp per year.
- The maximum amount of the campership is $150 for weeklong camps at Cazadero, $80 for weeklong camps at Tamarack. For adult weekend camps, the campership is $30. For child weekend camps, the campership is $25.
- Please work with your local congregation and Association to find additional assistance for the cost of camp.
- Please remember the Campership Fund in your personal giving during the coming year.

1. Camper’s Name: ____________________________________________________________

2. Name and location of the camp attending: ________________________________________

3. Your church’s name and city: _________________________________________________

   Amount of campership your church will pay: ______________________________________

   Your pastor’s signature verifying the above amount: ________________________________

4. Reason a campership is needed:

   __________________________________________________________________________

   __________________________________________________________________________

   Signature of Parent/Guardian: _________________________________________________

   Printed Name of Parent/Guardian: ______________________________________________

   Today’s Date: __________________________________________________________________

Please return the completed form via email or snail mail. A code will be issued for you to use at registration which will cover both the church campership and the Conference campership. Camperships are available until March 31, 2020

Questions may be addressed to Joy Davis, Camp Registrar, 510-247-8995, joy@ncnucc.org
